When we get to the wetlands and permit table, I'll stop sharing and then you can share your screen. That way you can control it and we can see your cursor.

Updated wetland file attached. It includes the disposal area, staging area, and High Bridge Trail wetlands.

Cheers!

Bill

Sorry that I didn't get this out to you sooner. Please let me know if you would like me to make any changes to the slides before the permit meeting. During the presentation feel free to jump in with any clarifications or to add anything I missed.

Thanks,
